AT THE COURT AT OSBORNE HOUSE, ISLE OF WIGHT, THE FIFTH DAY OF FEBRUARY, 1870.

Present: The Queen's Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honorable Lords Commissioners of the Admiralty, dated 23rd day of December, 1869, in the words following, viz:—

“Whereas We have had under consideration the subject of the Servants now allowed at the public cost to the Commanders-in-Chief of Your Majesty's Ships and Vessels at the Home Ports; their Secretaries; and the Superintendents of Your Majesty's Dockyards at Home; and whereas We are of opinion that it would be for the advantage of Your Majesty's Naval Service, and a saving of expense to the Service, if a composition were granted to such Officers to enable them to provide their own Servants; We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council to establish the various Computed allowances proposed in the following table:—

Station.	Rank.	Computed Allowance
Portsmouth	Com.-in-Chief	£500 0 0
Devonport	ditto	500 0 0
Sheerness	ditto	400 0 0
Queensdown	ditto	250 0 0
Portsmouth	Sec. to Com.-in-Chief.	40 0 0
Devonport	ditto ditto	40 0 0
Sheerness	ditto ditto	40 0 0
Queensdown	ditto ditto	40 0 0
Portsmouth	Adm. Superintend.	200 0 0
Devonport	ditto ditto	200 0 0
Sheerness	Captain ditto	125 0 0
Chatham	ditto ditto	125 0 0
Pembroke	ditto ditto	125 0 0

This change to take place from the 1st April next, except in the cases of the recently appointed Commanders-in-Chief

at Devonport and Queenstown, and any other Commander-in-Chief who may be appointed before that date.

"And whereas we are further of opinion that the existing Office of Flag-Lieutenant to the Admirals Superintendent of the Dockyards at Home is no longer required, and that unnecessary expense is consequently occasioned to the public: We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council, to abolish such Offices from the 1st of April next, or before then in case of any fresh appointment of a Superintendent.

"And whereas We have also had under our consideration the existing regulations on the subject of the Table Money allowed to the Commanders-in-Chief at Home, and Admirals Superintendent of Your Majesty's Dockyards at Home; and being humbly of opinion that it would be for the advantage of Your Majesty's Naval Service, if, when such Officers are

on leave, they should not altogether lose their Table Allowances; We beg leave to submit that Your Majesty will be graciously pleased to sanction our proposal, that, from the 1st of October last, Commanders-in-Chief at Home and Admirals Superintendent of Home Dockyards, be allowed half the amount of their Table Money during short leave of Absence when granted by the Admiralty, not to exceed six weeks in the year. The Lords Commissioners of Your Majesty's Treasury have signified their approval of the proposals."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions accordingly.

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-Pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

Admiralty, 14th June, 1871.

HALF-PAY.

1. My Lords are pleased to direct that in future every Officer entitled to Half-Pay shall, without application on his part, be placed on the Half-Pay List as soon as his full-pay ceases, and his accounts are clear.

2. Commanding Officers of Her Majesty's Ships are to transmit to the Accountant-General of the Navy and Comptroller of Navy Pay, immediately that either they, or any of the Officers under their command are discharged to Half-Pay, one of the Returns hereinafter specified, and headed respectively "(A) Foreign Service," "(B) Home Service."

3. The Form already required to be furnished, and specified at page 175 (Appendix) of the Addendum (1868) to the Admiralty Instructions, will suffice for Officers returning to Half-Pay from Foreign Service amended as per specimen annexed and marked A.

4. Whenever an Officer is discharged abroad to return to England, who will be entitled to Leave of Absence on Full-Pay after arrival, the Forms headed "(A) Foreign Service," directed to be forwarded to their Lordships, the Commander-in-Chief, and the Accountant-General, are to be handed to him with his

pay documents for delivery; but if he will not be entitled to such Full-pay Leave, it will only be necessary to furnish him with the Forms for their Lordships and the Accountant-General. The date of his leaving England, and also the circumstance under which he is returning home, are to be filled in previously; and should he take passage in a Ship of War, the date of arrival is to be inserted and certified by the Commanding Officer of the ship in which he takes passage; should he return to England in any vessel not belonging to the Royal Navy, then the date of arrival is to be inserted and certified by the Commander or Owners of such vessel.

5. The new Form marked "B," for Officers employed on "Home Service," will be immediately supplied to ships on the Home Stations.

6. Application for payment of Half-Pay may be made to Her Majesty's Paymaster-General, at Whitehall (either personally or by letter), so soon as the first monthly or quarterly instalment thereof shall become due after the date of ceasing Full-Pay. But in the case of Commanding or other Officers who are required by the Regulations to render accounts or other documents, this application should not be made until such accounts have been duly rendered and passed in Office.

By command of their Lordships,

To all Commanders-in-Chief, &c.

CIRCULAR No. 35.—C.W.

Admiralty, 9th June, 1871.

ACTING SUB-LIEUTENANTS—EXAMINATION FOR LIEUTENANT.

With the view of equalizing the time occupied by Acting Sub-Lieutenants in preparing for and passing their final examinations in Gunnery and Navigation for the rank of Lieutenant, My Lords Commissioners of the Admiralty are pleased to sanction the following alterations in the present system:—

1st. That Acting Sub-Lieutenants, on arriving in England, paying off, or on passing in Seamanship at home, should be appointed to the Flag Ship at Portsmouth, instead of the "Excellent."

2nd. That they should remain in the Flag Ship until the second Monday in each month, when they will be discharged to the "Excellent," to prepare for their Gunnery Examination.

3rd. That they be required to present themselves for their Gunnery Examination at the second examination after joining the "Excellent."

4th. The last day on which they can present themselves to pass at the College without forfeiting time will be the third examination day from the period at which they join the "Excellent," and including the examination day in the month in which they join, except in the case of those who join in June and December, who (on account of vacation) will be required to present themselves on the second college day instead of the third.

My Lords also consider it desirable that Acting Sub-Lieutenants, on joining the Flag Ship at Portsmouth, should have the option either of going on leave until the second Monday in the month (the day on which they are required to join the "Excellent") or of joining an instruction class under the Naval Instructor of the Flag Ship; should they, however, avail themselves of leave, the amount will be deducted from the period due to them after completing their examination.

These alterations are to come into force after the next Summer vacation.

The present regulations for Navigating Sub-Lieutenants are not in any way affected by these alterations.

By Command of their Lordships,

VERNON LUMINGTON.

Admiralty, 23rd September, 1871.

EXAMINATION OF MIDSHIPMEN FOR SUB-LIEUTENANT.

Questions having arisen as to the manner in which a Midshipman's service is affected by his intermediate exami-

nation being postponed in consequence of forfeiture of time under the Naval Discipline Act, or delayed on account of rejection or acknowledged incompetency on his part to present himself; My Lords Commissioners of the Admiralty are pleased to determine that in such cases no Midshipman shall be eligible to pass for Lieutenant until a period corresponding to that for which his intermediate examination was postponed or delayed, has elapsed from the date at which he would otherwise have been eligible by service to present himself for examination.

The minimum period of each rejection at the intermediate examination is not to exceed three months.

By Command of their Lordships,

VERNON LUMINGTON.

To all Flag Officers, Captains, &c.,

CIRCULAR No. 3.—C.

(Circular of 2nd August, 1869, No. 46, revised.)

Admiralty, 15th January, 1870.

REGULATIONS RESPECTING NAVAL CADETS AND MIDSHIPMEN.

The Lords Commissioners of the Admiralty having decided—

- (1) To increase the time during which naval cadets will be under training, part of such time being spent in sea-going training ships, and the whole period being considered one of probation;
- (2) To introduce the system of limited competition for naval cadetships; and
- (3) Still further to reduce the number of naval cadets annually entered;

have been pleased to make the following regulations:—

1. Two examinations for naval cadetships will be held annually under the direction of the Admiralty Director of Education, viz., on the third Wednesday in June, and on the last Wednesday in November, but the appointments, as cadets, of the successful candidates will date from the 15th July or the 15th January.

2. No candidate will be eligible for examination in November, whose age will not be within the prescribed limits on the 15th January following, or for examination in June whose age will not be within the prescribed limits on the 15th July following.

3. The limits of age for examination in June, 1870, will be not less than 14 nor more than 18 and a-half years of age. After June 1870 no candidate is to be examined who is under 15 or above 18 years of age.

4. The number of naval cadets to be entered at each examination will for the present be reduced to 37; and twice the number for entry will be nominated to compete. Not more than half the number actually examined by the Director of Education will be authorized.

Should fewer than the authorized number pass at any ex-

amputation the difference will be made up at the next examination, and the number nominated will be proportionately increased.

5. Every candidate will be required to pass the medical examination according to the prescribed regulations, under the direction of the Medical Director-General of the Navy at Somerset House, and must have been found physically fit for the Royal Navy before going up for the Educational Examination.

He must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and in all respects well developed and active in proportion to his age.

Any candidate rejected at the medical examination will be finally excluded from the Royal Navy.

6. The candidate will be required to produce (1) a registrar's certificate of birth or declaration thereof made before a magistrate; (2) a certificate of good conduct from the masters of any schools at which he may have been educated within the two previous years, or, if educated at home, from his tutors or the clergyman of the parish in which he resides; and (3) a certificate of good health.

8. Candidates so qualified will be further examined in any three of the following subjects they may select,—or four, if Drawing be one:—

(m.) Elementary drawing, freehand, and from models	100

No marks amounting to less than one-sixth in a voluntary subject will be counted towards the total.

9. A candidate who obtains the number of marks prescribed for passing, but who may not be successful in the competition, will be allowed to compete once again at the next examination without undergoing a fresh medical examination, although he may then be over-age; but no candidate will be allowed to compete more than twice.

10. Any candidate who fails to appear at the next examination after he has obtained a nomination will not be allowed to present himself without a fresh nomination, except in the case of illness, certified by a physician or surgeon approved by their Lordships, in which latter case non-appearance will have the effect of unsuccessful competition, entitling the candidate to present himself at the following examination only.

• A Certificate of Baptism will not be accepted.

11. Every flag officer (except an admiral superintendent of a dockyard), on holding his flag will allow a complete sea and

Officers having nominations must exercise them before the 15th April for the June examination, and the 1st October for the November examination; and if they fail to nominate for the first examination the intention they will only be allowed to nominate in the subsequent examination.

If a candidate, nominated for the first examination, or an officer, can exercise his privilege, first test at the medical examination, the officer will be a fresh nomination for the following examination, no other case. No fresh nomination will be allowed if the candidate fails to pass the test at the examination of the Director of Education.

12. Service nomination will be given same colonies, under the regulations hitherto in force for selection and examination; but the limits of age will be 19 to 23 if examined before the 15th October, and 23 to 25 if examined after that date.

Cadets passing in the colonies will, in all respects, be subject to these regulations, and must be sent to England to undergo the course of training.

Printed examination papers will be sent to commanders-in-Chief and Senior Officers on board, under seal, and the results of the examination, and report of the marks awarded at the examination, forwarded to the Admiralty (should the candidate be passing), together with the duplicate certificate of the result.

13. For all cadets, including colonial cadets, under these regulations, after the examination is passed, an annual rate of payment will be, as at present, during the year 1870, and afterwards at a fixed annuity for the period in the "Britannia," and in the sea-going training ship, to be paid in advance, to the Accountant-General of the Navy by the Commissioners of the Admiralty, reserve to be paid from among the candidates named at the examination a number, not to exceed 100, Officers of the Royal Navy or Marines, or others under the Board of Admiralty, with respect to the annual payment for the two years, as above, will be 40l. only. In selecting these their Lords have regard solely to the pecuniary circumstances of parents or guardians of the cadets.

In the event of the full number so selected not being in the competition, their Lordships will, if desired, make the number up from among the candidates above who have succeeded at that examination.

14. Candidates who succeed in the competition are pointed to the "Britannia."

15. The date of entry of those who pass in June is from the 15th July of the same year, and of those in November from the 15th January of the next year.

16. The period of training on board the "Britannia," as now, four terms; but there will be two years instead of three. The first term of each year from February to July, the second from August to October.

The vacations will be 6 weeks at Midsummer, 40 Christmas, and a week at Easter.

17. There will be an exam on board at the end of each, and an intermediate examination at Easter or at their first year.

18. Cadets who join in August and who pass a satisfactory examination in December will be awarded a certificate of successful completion, and will be shown sufficient improvement. Cadets who do not pass an unsatisfactory examination at Easter, similarly warned with respect to the examination in June, will be discharged.

Any cadet who passes unsatisfactorily at a subsequent examination will be discharged.

15. Notice will be given of the minimum number of marks which must be obtained at each examination.

16. At the examination at the end of the fourth term cadets will be classified according to their merits in study and conduct, and they will be allowed time for their service in the "Britannia," as follows:—

17. The examination and rating of cadets, as midshipmen, in the sea-going training ships is to be regulated according to the time notified in the certificates, thus:—

Cadets who obtain 18 months' time will be rated as midshipmen at once on passing out of the "Britannia."

Cadets who obtain 9 months' time will have to serve 3 months

" 6 " " " 6 "

" 3 " " " 3 "

" no time " " 18 "

in the sea-going training ships before being rated as midshipmen.

18. After passing the final examination in the "Britannia" the midshipmen and cadets will be appointed to a sea-going training ship for one year.

19. Any cadet or midshipman who, at any time during his three years' probation, may be certified by the medical officer of the "Britannia" or of the sea-going training ship, to have become subject to any disease or physical defect likely to render him unfit for service will, on the circumstances being stated to their Lordships, be at once discharged.

20. After six months in the sea-going training ship an examination is to be held, and at the end of twelve months a second; and any midshipman or cadet failing to pass the test at either of these examinations will be at once discharged from Her Majesty's Service.

At the latter of these examinations they will be classified in three classes, both for seamanship and study.

21. The examination paper for the first examination will be transmitted under seal to the sea-going training ship; and the work of the cadets or midshipmen is to be returned under seal to the Admiralty.

22. Full time will be allowed to every midshipman or cadet for his period of service in the sea-going training ship; and additional time will be allowed to every midshipman or cadet whose conduct has been uniformly good, as under:—

1st Class Seamanship	Months.
1st " Study	3

In the case of those who having gained 18 months in the "Britannia" gain also 6 months' time in the sea-going training ship, the rule as regards the age (18) of passing for lieutenant will be relaxed, and they will be allowed to pass at 18, provided they have completed the necessary service—but they will not be eligible for promotion from the rank of sub-lieutenant to that of lieutenant till they are 19 years of age.

23. The period of service required to enable officers to pass for lieutenant will be five years, including the time allowed in the training ships, but this rule will only apply to officers who entered the Service under these Regulations.

24. The parent or guardian of every cadet will be required to provide surety as under the present regulations, and to sign a declaration (on the admission of the cadet to the "Britannia") to the effect that he shall be immediately withdrawn on the receipt of an official intimation of his being considered unfit for the Royal Navy.

25. Cadets who entered the "Britannia" in December, 1869, or April 1869, will pass out in July 1870, and those who entered in August 1868, will pass out in December 1870. Three months' extra time will be allowed to cadets who entered in December 1868.

CADETS FOR NAVIGATING DUTIES.

26. Navigating cadets will be nominated solely by their Lordships—and in every respect, with the following exceptions, they will be subject to the above Regulations:—

Twenty-four are to be entered annually by competition,—12 at each half-yearly examination; 12 nominations are to be made for each examination.

The annual payment for navigating cadets will be 40*l.* for both the home and the sea-going training ships. Those who

do not obtain the rating of Navigating Midshipman on passing out of the "Britannia" will be allowed an intermediate rate of pay of 2*l.* 3*d.* a-day (4*l.* 1*s.* 3*d.* a-year) until they obtain that rating.

By Command of their Lordships,

To all Commanders-in-Chief, &c. VERNON LUSHINGTON.

(COLONIAL CADETS.)

With reference to the Regulations respecting Naval Cadets contained in Circular No. 3 of the 6th January, 1870, my Lords Commissioners of the Admiralty are pleased to issue the following Regulations in regard to the Entry, Passage to England, and Pay, &c., of Colonial Cadets.

1. Cadets examined in the Flag Ships abroad will, if they pass, be entered as Supernumeraries for Victuals only, and sent home in any Man-of-War or Transport about to leave for England, to join the "Britannia." In the event of no such Ship being about to leave for England, passage, including mess, at the public expense, is to be provided for them by Mail Packet, or by private Ship; the latter being preferred where the Packet fares are high.

2. They will not count time or receive pay until they join the "Britannia," and arrangements are to be made that, if possible, they may arrive in England a short time before the commencement of a term, i.e., before the 1st February or the 31st August; and Parents are to arrange for the payments, on their account, being received by the Accountant-General prior to the Cadets' joining the "Britannia."

By Command of their Lordships,

VERNON LUSHINGTON.

To all Commanders-in-Chief, &c.

Admiralty, November, 1871.

NAVAL CADETS—REGULATIONS RESPECTING CADETS WHILE UNDER TRAINING.

(For the information of Parents and Guardians.)

1. The Naval Cadets who join the "Britannia" are allowed Four Terms—two in each year—to complete their course of study;—at the expiration of which they go up for final examination,—and transfer to the Sea-going Training Ship for a year's further training.

2. The Terms are from the 1st February to the 15th July,—and from the 31st August to the 20th December; and the Vacations will be six weeks at Midsummer, and six weeks at Christmas, with a week at Easter.

3. The friends of the Cadets must be prepared to receive them during the Midsummer and Christmas Vacations, but at Easter they can remain on board the "Britannia."

4. The following payment will be required from the Parents or Guardians of each Cadet while in the "Britannia":—

Before the commencement of each Term . . . £35.
except in the case of those received at the reduced rate of 40*l.* a-year, whose half-yearly payments will be 20*l.* only.

While in the Sea-going Training Ship the payments for Naval Cadets will be at the rate of 5*l.* a-year—i.e., 25*l.* each half-year—payable in advance. The Payment for Navigating Cadets will be only 40*l.* a-year (20*l.* a Term) for the "Britannia" and the Sea-going Training Ship—but in all other respects the same rules will apply.

5. The payments are to be made direct to the Accountant-General of the Navy (New Street, Spring Gardens, London, S.W.), according to instructions which will be given in the Half-yearly Claim that will be made by that Officer upon the Parents or Guardians of the Cadets.

6. Great inconvenience having been experienced from these payments not having been punctually made, Cadets, although received until their friends are communicated with, will not be considered as entered for tuition until the amounts due have been received.

7. All travelling expenses for Cadets will be advanced by the Paymaster of the "Britannia," who will charge the same to the Cadet's personal account at the end of each Term.

8. The Cadets have a weekly allowance, and all expenses attending their amusements are paid for by the Ship. It is therefore requested that their friends do not give them any money except on joining, or on their return from the Vacations, and then the amount must not exceed 10*l.* *Infringements of this regulation are so injurious that they cannot be overlooked.*

9. It is particularly requested that the Cadets bring their

linen clean, and Clothes and Boots in good order, when they join the ship, and also when they return from leave, and that the outfit, as required, be complete.

10. Cadets are not permitted to open an account with Tradesmen, unless by special sanction of the Commanding Officer. Parents and Guardians are therefore requested to pay no bills that have not his approval.

11. Should there have been any infectious diseases in the house where Cadets have been staying during their holidays, notice of the circumstance is to be given to the Commanding Officer of H.M.S. "Britannia", and they are not to join until they have received a communication from him to that effect.

12. All letters relative to the Cadets should be addressed as follows:—The Commanding Officer, H.M.S. "Britannia", Dartmouth.

13. Should Cadets bring valuable Gold Watches or Chains with them to the Training Ship, they will be taken from them and placed in security, until they return to their homes. Silver Watches will be allowed to be used.

14. Parents or Guardians of Cadets must, in all cases of permanent change of residence, communicate the same to the Captain of the Training Ship, without delay.

ALLOWANCES TO MIDSHIPMEN, CADETS, AND ASSISTANT CLERKS.

My Lords Commissioners of the Admiralty are pleased to direct that after the 31st of December, 1870, Commanding Officers are no longer to approve of Bills drawn by Midshipmen, Cadets, and Assistant Clerks.

In lieu thereof the Parents or Guardians will be called upon to pay to the Accountant-General of the Navy:—£20 per annum for each Midshipman and Naval Cadet. £20 per annum for each Navigating Midshipman whose pay does not amount to 4s. a day and the same for each Navigating Cadet and Assistant Clerk.

The payments are to be made by the Parents or Guardians

half-yearly, in advance, and to commence for Midshipmen and Cadets from the date the sum under which the Training Ships may come to be payable, such as Assistant Clerks from the date of their entry into the Service.

The sums received by the Accountant-General will be held to the credit of these officers.

The Payments of the several ships in which the officers may be serving are to be made by the Accountant-General, on the usual Form of Quarterly Receipts above stated, on the usual Form of Quarterly Receipts, using a separate sheet, and distinctly marking it "Allowances."

Proportional monthly advances may be paid:—Should any Midshipman or Cadet desire to draw £50 per annum he is at liberty to do so, provided the approval of his Commanding Officer, and on all his debts are paid. The sum thus saved would be by the Accountant-General to the credit of the officer, or some following half-yearly claim on his Parents or Guardians.

When the pay of a Navigating Midshipman exceeds per diem, his friends will not be called upon to make further payments to the Accountant-General, and repounding payments on board are to cease.

They are to come for Midshipmen on Assistant Acting Sub-Lieutenant, and for Assistant Clerks.

The Commanding Officers of Her Majesty's Ships, immediately on receipt of this Circular, to furnish the Accountant-General of the Navy with a list of all Midshipmen and Cadets of both Classes and Assistant Clerks on board, with the names and addresses of their Parents or Guardians, in order that letters claiming the yearly sum may issue before the 1st January next. In like manner the Commanding Officers of the Training Ships are to furnish the Accountant-General with a similar list of all Cadets discharged in service.

Admiralty, 22nd February, 1869.

1. Vacancies for Appointments as Engineer Students in the Factories at Woolwich, Sheerness, Portsmouth, and Devonport are open to public competition.

2. The Lists of Candidates are kept by the Superintendents of these Dockyards, to whom all applications must be addressed before the 1st of May, or 1st of November, in each year. Proof of age will be required by Certificate of Birth, extract from Baptismal Register, or declaration before a Magistrate. Evidence of respectability and good character must also be produced on a form which will be furnished by the Superintendents of the Dockyards. They will not be admitted for examination until they have been pronounced fit for H.M. Service by the Medical Officers in the Yards.

Those who do not succeed at the first examination will be allowed a second trial, if not over age; but they must apply to the Superintendents for a second nomination.

7. Engineer Students will be employed in the Factories for a period of six years, with a view to their becoming Naval Engineers if, on examination at the end of that time, they are found to possess the necessary qualifications. The certificates will be of two classes. To obtain a first-class certificate a Student must gain 225 marks, which must comprise three-fourths of the numbers in the subjects marked *. A first-class certificate will be regarded, in respect of promotion, as equal to one year's sea-service. The Chief Engineer and Inspector of Machinery will also examine the Engineer Students twice a year as to their progress in practical studies, and no Engineer Student will be entered in the Navy until the Chief Engineer certifies that by his skill as a workman, his knowledge of steam machinery, and his good and steady conduct, he is fully qualified for the appointment of Assistant Engineer.

10. Engineer Students who may fail to attain the required standard for the scholastic examination at the end of six years, will be allowed to present themselves a second time, at the next half-yearly examination of the Director of Education. If they fail to obtain their certificates at the second examination, they will cease to be eligible for the Naval Service.

11. The weekly pay of Engineer Students will be 8s. during the first year of their training, and if they are reported deserving by the Chief Engineer and Inspector of Machinery, it will be increased 2s. a week each year until the sixth, and then increased 8s., making their wages 24s. a week for the last year.

12. The most intelligent of the Students will be eligible for a more advanced education at the School of Naval Architecture, in accordance with the Regulations contained in the Admiralty Circular of the 17th June, 1864, and those educated there will be bound under a Penalty of Fifty Pounds to remain in Her Majesty's Service for Five Years after the expiration of their studies.

PRACTICAL QUALIFICATIONS OF ENGINEER OFFICERS, PASSING AND PROMOTION AT HOME AND ABROAD.

A Candidate for the appointment of Second-Class Assistant-Engineer must produce certificates of servitude in a factory, or proof of his acquaintance with engine work, and of his practical abilities as a mechanic, as well as testimonials of good conduct and character: he must possess all the qualifications requisite to enable him, after a short experience in the working of marine engines to execute efficiently the duty of Second-Class Assistant-Engineer of any of Her Majesty's Ships; he must be able to keep accounts, and make rough working sketches of engines and boilers; he must understand the general principle of the engine, and be acquainted with the names of the various parts and their uses; and be willing to exert himself as a mechanic and workman in the several contingencies that may arise in the engine-room.

A Second-Class Assistant-Engineer who has served as such in one or more of Her Majesty's Ships, on full pay, for three complete years may be examined as to his qualifications for the appointment of First-Class Assistant-Engineer, by order of the Commander-in-Chief, or senior Officer present,—if at home, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery Afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for the purpose,—and if abroad, by an Inspector of Machinery afloat, and two Chief Engineers, in the presence of a Captain or Commander. The Candidate must possess all the qualifications required of a Second-Class Assistant-Engineer, be fully competent to perform the various duties of a First-Class Assistant-Engineer, and to take charge of a watch in the engine-room, when the steam is up at sea.

An Officer must serve for two complete years, on full pay, as First-Class Assistant-Engineer, in two or more of H.M. Ships, before he is eligible for promotion to Engineer, when he may be examined under regulations similar to those laid

laws for promotion to First-Class Assistant-Engineer. MEMORANDUM—THE APPOINTMENTS TO ROYAL NAVAL COLLEGE FOR STUDY.

Admiralty, 27th August, 1893.

Cases having occurred of Officers on half-pay having made application for, and received appointments to, the Royal Naval College twice, and even three times, in a few years, the Lords Commissioners of the Admiralty consider that such a course is not attended with beneficial results to the service generally, and should be discontinued, as it has the effect of preventing other officers (who have not previously had the advantage of going through the course of study at the College) from being able to do so, the number of vacancies, as well as the accommodation for officers, being limited. Their Lordships are therefore pleased to direct that in future officers on half-pay who have once been appointed to the College for study, and remained there for the period allowed, "12 months," or who may have quitted, at their own request, before completing the course of study, shall not be eligible for reappointment until a period of six years has elapsed from the date of their former appointment.

Officers applying for appointments to study at the College are to state, when making their application, whether they have previously studied at the College, and if so, at what date.

"3. And such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy."

"6. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (without contradiction, to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act."

"7. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), "to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy," shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine,

But on a special report being made to the Lords Commissioners of the Admiralty by the Commanders of such ships in the United Kingdom, or by the Drill or Gunnery Ship in the United Kingdom, or by the Captain of such ship abroad, to the effect that a Lieutenant or Sub-Lieutenant of the Reserve is competent to instruct and drill men of the Reserve, then such Lieutenant or Sub-Lieutenant will be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the officer superintending the drill, the further twenty-one days will be dispensed with: but if the seven days' test drill is not satisfactory, the further twenty-one days' drill must be performed.

All Officers called out for service will mess with Officers of their respective ranks in the Royal Navy.

Discipline.

They are expected to provide themselves with a copy of the Queen's Regulations and Admiralty Instructions.

Service Afloat.

Officers of the Royal Naval Reserve will be called out for actual service by Royal Proclamation; and they will be liable to serve during the continuance of any national emergency, or until they may be regularly discharged by the direction of the Lords Commissioners of the Admiralty.

Pay and Allowances, and Pensions to Widows.

Officers will, whilst called out for actual service receive the pay of their corresponding ranks in the Royal Navy.

Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst undergoing drill will receive the same pensions and allowances to which Officers in the Navy would be entitled under similar circumstances.

Widows of Officers who, whilst on actual service, may be killed in action, or die from accident resulting from the performance of their duty, will receive the same pensions as the widows of Naval Officers of corresponding rank would be entitled to under similar circumstances.

CIRCULAR No. 36.—L.M.

Admiralty, 24th June, 1869.

BEARDS AND MoustACHES IN THE ROYAL NAVY.

The Lords Commissioners of the Admiralty have had under their consideration the provisions of the Chapter 4, Article 48, page 336 of the regulations, forbidding the wearing of Beards and Moustaches by Officers and Men of the Fleet.

Representations having been made to their Lordships that it would conduce to the health and comfort of men under many circumstances of service, were they to be permitted to discontinue the use of the Razor on board His Majesty's Ships, they have been pleased to issue the following Regulations:—

1. Clause 43, Chapter 44, of the Regulations is repealed, and Officers and Men on board Her Majesty's Ships, including the Royal Marines when embarked, will in future be permitted to wear Beards and Moustaches.

2. In all cases, when the permission granted in Clause 1 is taken advantage of, the use of the Razor must be entirely discontinued. Moustaches are not to be worn without the Beard, nor is the Beard to be worn without the Moustaches.

3. The Hair of Beard, Moustaches, and Whiskers is to be kept well cut and trimmed, and not too long for cleanliness. The Captain is to give such directions as seem to him desirable upon these heads, and to establish, so far as may be practicable, uniformity as to length of the Hair, Beards, Moustaches, and Whiskers of his Men; observing that those Men who do not avail themselves of the permission to wear Beards and Moustaches will wear their Hair and Whiskers as heretofore.

4. Officers of Divisions will take special care that the provisions of Clauses 2 and 3 are strictly attended to by each of their Men as may avail themselves of the permission contained in Clause 1, and failure in these respects is to be considered as an offence under Article C in the Table of Summary Punishments.

5. Royal Marines on shore will follow the Regulations of the Army with regard to Beard and Moustaches.

6. Their Lordships desire that it may be distinctly understood that permission now given to wear Beards and Moustaches is not necessarily to be considered as permanent, and that if neatness and cleanliness are not observed this order will be revoked.

By Command of their Lordships,

W. G. ROMANE.

To all Commanders-in-Chief, &c.

CIRCULAR No. 67.—L.M.

Admiralty, 26th December, 1869.

BEARDS AND MoustACHES FOR ROYAL MARINES.

1. The Lords Commissioners of the Admiralty have observed that the provisions of Circular No. 36, of 24th June, 1869, have not been uniformly interpreted as to the Royal Marines embarked on board Her Majesty's Ships, and they are pleased to direct as follows:—

2. Officers and Men of the Royal Marines may wear their Moustaches only, when embarked, should they prefer so to do.

3. Considering the hardships that might be involved, in compelling such Officers and Men of the Royal Marines, to elect to wear both Beards and Moustaches when embarked, to shave their Beards on being discharged to Head Quarters on shore, their Lordships are pleased to direct that the permission to wear Beards on board ships, granted by Circular No. 36, shall be extended to all Officers and Men of the Royal Marines on shore.

4. In other respects, the provisions of the above Circular apply to Royal Marines on shore, as well as afloat, and the attention of Commanding Officers is especially called to the necessity of enforcing neatness and cleanliness.

By command of their Lordships,

VICTOR LUSHINGTON.

To all Commanders-in-Chief, &c.

The provisions contained in first and fourth columns of the Scale of Retired Pay will not apply to such Officers; but the retired pay shall in no case exceed the fixed maximum for each rank. Should any such Officer have less than 20 years' service he will be entitled on retirement the active half-pay he has earned by service.

Present Navigating Officers, Chief Inspectors and Inspectors of Machinery, Chief Engineers, Medical Officers, and Paymasters, to be retired under the conditions as to age and non-service within a term of years, which are fixed by the new Regulations; but to be allowed an option of retiring on the scale herein provided, or on the terms they now enjoy.

7. Present Chaplains and Naval Instructors to be allowed, at their option, either the terms of the "New Regulations" as to half-pay and retirement, or the privilege of remaining under the old Regulations; but in no case to be allowed to remain on the Active List after they have attained the age of 60.

8. Chief Engineers who entered Her Majesty's service before 27th February, 1847, to be allowed to count towards retirement all time served as 1st and 2nd class Engineer.

At the Court at Windsor,

the 18th day of May, 1870.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of May, 1870, in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22nd February, 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, We would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Enquiry in connection with naval matters of importance, we are of opinion, that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-Pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-Pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the

Active List, until he ceases to be in such civil employment; that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four vacancies which may be caused by Retirement, or Promotion consequent on Retirement, until the Lists may be reduced to the numbers authorized by Your Majesty's above-mentioned Order in Council; and we would beg to point out that previous to making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Order of Council of 22nd of February, 1870.

"4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 26th June, 1867, that Staff Commanders having served 23 years in the rank of Navigating Lieutenant and Staff Commander shall, when retired, the rank of Retired Captain, and that those having served 15 years in those ranks shall retire with the rank of Retired Commander; and by Your Majesty's Order in Council of 9th July, 1864, it is laid down that those who may have completed 20 years' service, including Acting Paymaster's time, and not more than 4 years' time as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief: And whereas by Your Majesty's Order in Council of 22nd February, 1870, it has been provided that Commanders and Lieutenants placed on the Retired List, that these Officers shall be granted the rank of Retired Captain and Retired Commander only at our discretion, we are of opinion that it will be for the benefit of Your Majesty's Service that similar conditions should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim the respective ranks of Retired Captain, Retired Commander, and Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be governed also by qualifications of good and meritorious service: We therefore humbly submit that in future, such Promotions on Retirement be made at our discretion. We beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of the Privy Council, to approve of what is therein proposed: And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions hereunto accordingly.

(Signed) ARTHUR HELL

1856.

Further, in regard Lieutenants, this Order in Council provides that the Reserved List, consisting of 50 Commanders (established by Order in Council of 25th June, 1857) be increased to 100; such increase to be effected by selecting from the Active List of Lieutenants a number not exceeding 15 in the present, and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

1. Widows of Commission and Warrant Officers of the Royal Navy, and of Commissioner Officers of Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the Table in the Appendix, and subject to the following regulations:

2. The Pensions authorized by these Regulations cannot be claimed as a *Right*;—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of Pension to which she would have been entitled if living, shall not be allowed to her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Chief Boatwain, Chief Carpenter, or a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon: provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in the Sea Service; but the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, in such cases as they think proper.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. The Widows of Commission Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having been on the List of Commission Officers, or on the List of Naval Instructors, ten complete years, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer died from the effects of foreign service, then, provided he had been five years on the List,—was in good health when he married,—and it be clearly shown that the disease which occasioned his death resulted from such service alone, did not arise from constitutional predisposition, and was not brought on by any misconduct, or by any circumstances over which the Officer himself had control.

The Widows of Chief Gunners, Chief Boatwains, Chief Carpenters, are only entitled to Pensions in the event of their Husbands having been confirmed in the rank one year; and the Widows of Warrant Officers (Gunners, Boatwains, and Carpenters) are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time included) and provided they shall have been confirmed in the rank of Warrant Officer.

8. No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in Priest's Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during, or prior to, her Husband's Service in the Navy, and unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served the length of time to entitle him to Half-Pay,* but by Order in

Council of the 1st November, 1864, the Widows of Chaplains dying after that date, who shall have completed Ten Years' Service on Full-Pay, may be granted Pensions, although no portion of such service be subsequent to their marriage, provided they are otherwise qualified, according to the existing regulations governing the grant of Pensions.

9. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to them, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

10. In all cases of a Widow re-marrying, on or after the 6th August, 1861, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be resumed, upon proof being adduced to the Admiralty that she was in wealthy circumstances, and is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marrying. Widows who are re-married before the date of these Instructions, and thereby forfeited their Pensions, will not have the same restored to them in the event of their again becoming Widows.

11. Every Officer, whether on Full or Half-Pay, shall—on order to facilitate the decision upon the claim of his Family after his decease, to the benefit of these regulations,—notify his marriage within six months of its taking place, to the Admiralty, according to the Form in the Appendix.

12. With respect to marriages contracted in Scotland none will be admitted, for the purposes of these Regulations which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated,—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form in the Appendix.

13. *Mothers*.—When an Officer is killed in action, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

14. *Sisters*.—Sisters of Officers are not eligible to any Allowance, unless under very special and extraordinary circumstances, to be judged of by the Lords of Her Majesty's Treasury. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have fallen in action, or shall die of wounds received in action, within six months after being wounded, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted, will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

15. *Children of Officers*.—Allowances on the Compassionate List to the legitimate Children of deceased Officers, may be given in those cases in which the Widow of the Officer would be entitled to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government; and that their pecuniary circumstances, and those of their Family, are so limited, that they actually require assistance from the Compassionate Fund.

16. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:

1st. Children of Officers killed in action, or drowned.
2nd. Children of Officers dying from illness contracted in the Service.

3rd. Orphans having neither Father nor Mother.

4th. Children of Officers dying on Foreign Service.

5th. Children of Officers dying on Full-Pay at Home.

6th. Children of Officers dying on Half-Pay.

17. The Allowances granted to the Sons of Officers may be continued until they attain the Age of Eighteen, or are otherwise previously provided for;—and those to the Daughters may be continued until they marry, or attain the Age of Twenty-one, whichever shall first happen, and so longer; except in very special cases, in which it shall be

shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertions for their own support; and that they are still in distressed circumstances.

PRIZE MONEY.

BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date We were graciously pleased to annul, from and after the Thirtieth Day of September next, Our Royal Proclamation of the Nineteenth Day of May One thousand eight hundred and sixty-six, regulating, according to the Scheme set forth therein or recognised thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies

whatever granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows; videlicet:—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed, that is to say:

When there is but one flag officer he shall have the entire one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodore of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy, or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belong to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or any flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be deemed a flag officer with respect to the thirtieth part of prize taken, whether he be commanding-in-chief or serving under command.

The first captain to the Admiral and commander-in-chief of Our fleet, and also the first captain to any flag officer

appointed to command a fleet of ten ships of the line or upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect of his superior commission or office.

And with reference to these regulations it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the case of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continue under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander, commanding, navigating lieutenant commanding, or any other officer duly commanding any ship, ship, or vessel of war, simply making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship be a rated ship having a commander under the captain, the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants, staff commanders, and navigating lieutenants, commanding respectively Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and each lieutenant commanding, staff commander, commanding, or navigating lieutenant commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commanders of the second class, and field officers of marines (artillery or light infantry) or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines (artillery or light infantry) or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops. And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten clauses, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board or absent on duty in a prize (who it is Our will and pleasure shall be the only absentee entitled to share) at the time of any such capture, seizure, &c., as aforesaid; and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:—

First class.—Inspector general or deputy inspector general of hospitals and fleets, when embarked with a fleet, inspector of steam machinery afloat when embarked with a fleet, staff captain, secretary to admiral of the fleet or commander-in-chief, paymaster-in-chief, in the event of such officer being employed afloat, forty-five shares each.

Second class.—Senior lieutenant of a rated ship, not bearing a commander under the captain, staff commander, staff surgeon, paymaster over fifteen years' seniority, chief engineer over fifteen years' seniority, secretary to an admiral or to a commodore, first class not commanding in chief, thirty-five shares each.

shall have conducted such proceeding on behalf of Her Majesty's Ship shall, on the termination of the suit, submit his Bill of Costs for taxation, and the Court shall thereupon tax the same as between Proctor and Client.

2. If in any such proceeding any proceeds have been realised and are remaining in Court, the Court may order the amount at which the Bill of Costs has been taxed to be paid thereout, and the balance of the proceeds, if any, shall thereupon be paid to the Senior Commissariat Officer in the colony, to the end that the same may forthwith be remitted to this country.

3. If there are not any proceeds, or if the proceeds are insufficient to pay the costs, the Commanding Officer shall either by himself or through the Agent of the Ship make provision for the payment of any sum that may be due in respect of any such proceeding as may have been instituted in the Court.

4. The Registrar of the Vice-Admiralty Court shall, as soon as he has taxed the Bill of Costs, and whether the amount thereof has or has not been paid out of the proceeds, forward the same to the Registrar of the High Court of Admiralty of England, together with a Certificate, signed

by himself, stating the amount of the proceeds, if any, the payments thereout, and the balance which has been paid to the Commissariat Officer.

5. The Agent for the Ship shall, when the proceeds and bounties have been paid to the Naval Prize Account, leave with the Registrar of the High Court of Admiralty of England his account for taxation, and may include therein any charges that may have been paid by the Commanding Officer or by himself, and the Registrar may direct the amount at which he shall have taxed the said account to be paid out of the proceeds and bounties standing in the Naval Prize Account to the credit of the Prize.

6. The Registrar of each Vice-Admiralty Court shall, within a month after the termination of each quarter and to the Registrar of the High Court of Admiralty of England a Return, signed by himself, in the form marked B. 1 hereto, of all Prizes in respect of which any proceedings have been taken in such Vice-Admiralty Court during that quarter.

PRESENT.

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1854, it is enacted (among other things) that the several shares of any money in the several cases in the said Act enumerated distributable among the officers and crew of any of Her Majesty's ships-of-war shall be paid to the persons entitled thereto, in such manner and subject and according to such restrictions, conditions, and provisions as might from time to time be directed by Order in Council:

And whereas it is by the said Act also enacted that Her Majesty in Council may from time to time make such orders as may seem meet for the better execution of the said Act:

Now, therefore, Her Majesty, by virtue of the powers in this behalf, by the said Act, or otherwise, in Her vested, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

Preliminary.

1. This Order shall commence from and immediately after the thirty-first day of December, one thousand eight hundred and sixty-five.

2. The Order in Council of the first day of November, one thousand eight hundred and sixty-four, under the said Act, is hereby repealed; but not so as to revive any regulation, practice, or other thing thereby abolished, or to affect the past operation of that Order, or the validity of anything done thereunder.

3. Terms used in this Order have the same respective meanings as in the said Act.

Payment of Prize Money into Bank, &c.

4. All money distributable among the officers and crew money of Her Majesty's ships-of-war, within the meaning of the said Act (all which money is comprehended under the term "Prize Money" where hereafter used in this Order), shall be forthwith paid to the account of Her Majesty's Paymaster-General at the Bank of England, on account of Naval Prize, or into the hands of some official accountant (belonging to the Naval, Commissariat, or other department), in order that it may be transferred to the said account.

General Notice.

5. Before any money distributable as aforesaid is actually distributed, notification shall be given by advertisement inserted in the 'London Gazette,' under the direction of the Admiralty.

Prize Remittances.

6. For the purposes of the provisions of this Order respecting Prize Remittances, the proper certifying authority shall be (in the several cases hereinafter mentioned) the following, namely:—

- (1) Where the payee resides in England, Wales, Bret land, the Isle of Man, or the Channel Islands, the minister and churchwardens or elders of the parish or district parish wherein the payee resides.
- (2) Where the payee resides in Ireland, the Inspector or sub-inspector of constabulary for the county, and a churchwarden of the parish wherein the payee resides.
- (3) Where the payee resides at Sierra Leone, the Commissariat officer there.
- (4) Where the payee resides in any other British possession out of the United Kingdom, two of the principal merchants or tradespeople of the place of residence; and the ministers, churchwardens, elders, inspectors, sub-inspectors, commissariat officer, merchants, and tradespeople aforesaid (when respectively the proper certifying authority), are hereby required to furnish, in the several cases in this Order provided for, such certificates as are requisite for the purposes of this Order, in case they respectively are satisfied of the truth of the matter required to be certified.

7. At a place where there is not any resident naval cashier, paymaster, or accountant, payment of a share of any prize money shall be made in the United Kingdom and at Sierra Leone on a remittance bill, and at other places out of the United Kingdom in such manner as the Admiralty from time to time direct.

8. Remittance bills shall be paid in the United Kingdom by any officer of the revenue, and at Sierra Leone by the commissariat officer, who respectively shall comply in all respects with the instructions of the Admiralty printed as the authority for payment addressed to the paying officer.

9. The amounts so paid shall be repaid to the respective departments in the same manner as at present, subject to such alterations as the Lords Commissioners of Her Majesty's Treasury and the Admiralty from time to time direct.

10. A remittance bill shall not be paid without a certificate from the proper certifying authority that the holder of the duplicate of the authority issued to the paying officer is the person named as payee in the duplicate.

11. Payment shall only be made to the payee personally, unless on any occasion the payee is unable from illness or bodily infirmity to appear personally, in which case payment may be made to the person producing—

(1.) The duplicate authority, together with the payee's order in writing, signed and witnessed, for payment to that person; and—

(2.) A certificate from the proper certifying authority of the payee's being unable from illness or bodily infirmity to appear personally; or—

(3.) A like certificate from the payee's legally qualified medical attendant;

provided the paying officer does not doubt the authenticity of the order or the truth of the certificate.

12. Payment shall not be made unless the paying officer is satisfied of the title of the claimant.

13. If on any application for payment the paying officer entertains any doubt as to the claimant's title to payment, he shall inquire into the matter, and may require from the claimant such statutory declaration or declarations of the claimant alone or with any other person or persons as the paying officer thinks requisite.

14. On paying a prize remittance bill, the paying officer shall take a receipt on the authority for payment addressed to him, and shall certify thereon (where so required) to his being satisfied himself of the title of the claimant.

15. Every certificate under this Order shall state the character in which each person certifying subscribes the same.

Assignments by Warrant Officers.

16. Any assignment made by a warrant officer of any prize money shall be void, unless it truly expresses the consideration money actually paid by the person in whose favour it is made to the person making it, and upon any such assignment there shall be paid so much money only as appears to have been actually paid as consideration for the same, with interest thereon, at five per centum per annum.

Prize Orders of Subordinate Officers, Seamen, and Marines.

17. In this Order the term "subordinate officer, seaman, or marine," includes every person belonging to Her Majesty's naval service, or being a supernumerary attached fleet, except commissioned and warrant officers, and assistant engineers of the second class.

18. The share of any subordinate officer, seaman, or marine, of any prize money, shall not be paid to any person other than such subordinate officer, seaman, or marine himself, or the person named in an order drawn by him hereafter in this Order prescribed; but this restriction shall not apply to any money (being such a share or part thereof) remaining unpaid on the promotion of a subordinate officer to the rank of commissioned officer, or of a seaman to the rank of warrant officer.

19. Every such order shall be drawn on a printed form issued for the purpose by the Accountant General of the Navy.

20. Every such order shall be drawn in favour of some one or more of the following persons, by name:—

The drawer's wife;

" father or mother,

" son or daughter,

" brother or sister,

the payee being so described in the order.

21. Every such order shall be signed by the drawer in the presence of the person or persons who is or are to certify according to the directions subjoined to the form of order.

22. Every such order shall be irrevocable during the life of the payee, unless in special circumstances the Admiralty think fit to allow of revocation.

23. Every such order shall be absolutely revoked by the death of the payee, so that no interest therein shall pass to the payee's personal representatives.

24. Nothing in this Order shall affect any order drawn by a subordinate officer, seaman, or marine, before the first day of January, one thousand eight hundred and sixty-five.

25. If at any time a person formerly licensed as an agent or his representative has a lawful claim against the share of any subordinate officer, seaman, or marine, of any prize money, in respect of advances made by such agent before the first day of January, one thousand eight hundred and

sixty-five, the claim shall be duly discharged under the direction of the Admiralty, as nearly as may be as if the said Act had not been passed.

Unclaimed and Forfeited Shares.

26. If the share of any person of any prize money is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed and shall be dealt with accordingly.

27. Notwithstanding that any such share has been forwarded or is unclaimed, the Admiralty may, if they see good cause, pay the same out of the naval prize cash balance.

Closing of Accounts.

28. All accounts relative to any prize-money (whether the same became distributable before or after the commencement of this Order) shall be deemed finally closed at the expiration of forty years from the date of distribution.

Persons of Unsound Mind.

29. Where it is made to appear to the satisfaction of the Admiralty that any person entitled to a share of any prize-money is of unsound mind (though not found lunatic by inquisition), the whole or any part of such share may be paid over under the direction of the Admiralty to the wife or relative or other person having the care and maintenance of such person, to be applied for his maintenance and benefit.

Repayment from Greenwich Hospital.

30. CIRCULAR No. 25.—L.

Admiralty, 14th July, 1866.

(CAPTURE OF VESSELS ENGAGED IN SLAVE TRADE, &c.—EXPENSES INCURRED IN PROSECUTING.)

My Lords Commissioners of the Admiralty having had under their consideration the difficulty, which has been in some instances experienced by the Commanding Officers of Her Majesty's Ships, in meeting the legal expenses, necessarily attending the prosecution, before Courts of Vice-Admiralty and Mixed Commission, of Vessels captured by them on suspicion of being engaged in the Slave Trade or in Piracy, their Lordships are pleased to authorise the temporary application of Public Money, in payment of these expenses, under the following conditions:—In the event of the Commanding Officer of one of Her Majesty's Ships being unable to pay, from his own resources, the legal expenses of prosecuting a Ship or Vessel, captured under the circumstances stated above, he will be at liberty to demand from the Paymaster of his Ship an advance of Public Money for the purpose. The amount of such advance, which must not exceed 100*l.*, will be placed as a charge against the pay of such Commanding Officer.

It is desirable that the approval of the Commander-in-Chief, or Senior Officer on the Station, should be obtained, before such application of Public Money; but should the delay necessary to obtain such approval be in any case inconvenient, the advance may be made on the sole authority of the Commanding Officer of the Ship; the case being afterwards reported to the Commander-in-Chief or Senior Officer.

By Command of their Lordships,

W. G. ROMAINE.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1831.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

1. A certificate of the marriage of the parents; or, if not attainable, other satisfactory proof thereof.
2. Register of the child's birth.

Boys eligible for admission must be between 9 and 10½ years of age, physically fit for sea-service, be able to read an easy sentence, and possess a knowledge of the first four rules in arithmetic, and the applications must be registered between the ages of 9 and 10.

Boys will be discharged from the school on the first day of the month succeeding that in which they shall attain 13 years of age, unless either they succeed by their talents, industry, and good conduct, in obtaining admission into the Selected Division after competitive examination, or volunteer, with the consent of their parents or guardians, to enter the Royal Navy as boys.

In the latter case, if they are reported physically fit, they will be retained until 14½ years of age, and then entered for continuous service.

Vacancies occasioned by boys unwilling or unfit for service in the Royal Navy will be filled up by selection from the sons of seamen and marines who are 13 years of age, fit and willing for service in the Royal Navy, and able to pass a sufficient examination in reading, writing, and arithmetic.

Applications for admission of boys at the age of 13 must be made six months previously, in the same manner as above directed, and the parents or guardians must sign an agreement, before the boy is admitted, that he shall serve in the Royal Navy for a period of 10 years' continuous and general service from the age of 18, in addition to whatever period may be necessary until he attain that age.

At the age of 14 the boys in this division of the school will be required to enter into an agreement, jointly with their parents or guardians, to enter the Royal Navy at the conclusion of their tuition, in such capacities as they may be found best qualified to fill. They will then be retained in the school until 15½ years of age, otherwise they will be discharged.

The education of the boys in the General School will comprise the usual elements of a sound English education, alternating with practical seamanship and other industrial occupations designed to prepare them for a seafaring life.

In the "Selected Division," elementary mathematics and

mechanics, navigation, nautical astronomy, and French will be taught.

Children of Roman Catholics, or of Protestants not being members of the Church of England, will not be required to learn the Church Catechism, and will be allowed to attend convenient places of public worship, in accordance with the religious persuasion of their fathers, provided applications be made to that effect at the time of admission, by the father, if living; and if the father be dead at the time of the child's admission, then the marriage certificate or baptismal register of such child, according to the rites and ceremonies of any established religious community, of a date previous to the said father's death, will be received as evidence of the religious tenets of the father; that is, provided no authentic document written by the deceased father be produced, expressing a contrary wish or direction, as regards the religious instruction of such child.

ENTRY AND DISCHARGES OF PETTY OFFICERS, SEAMEN, AND MARINES.

CIRCULAR No. 31.—N.

Admiralty, 23rd August, 1898.

(DIRECTIONS FOR THE EXAMINATION OF OFFICERS, MEN, AND BOYS FOR ADMISSION INTO THE ROYAL NAVY AND MARINES.)

My Lords Commissioners of the Admiralty are pleased to issue the following regulations for the Medical Examination of Officers, Men, and Boys for the Royal Navy and Marines, in lieu of those contained in article 34, pages 397 and 398 of the Queen's Regulations and Admiralty Instructions, and in article 14 of the Instructions to Surgeons and Agents of Sick Quarters.

When a Medical Officer is directed to examine any person for admission into the Naval Service, or into the Royal Marines, he is first to observe whether he has any marks of wounds, or injuries of the bones of the head, whether his eyesight or hearing is defective, whether he is deformed, lame, or has an impediment of speech, or weakness of intellect, and should any of these or other mental or physical defects exist to such an extent as might, in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is at once to report him unfit without carrying the examination further.

On the contrary, should the person present no outward appearance of untidiness, he is to be directed to divest himself entirely of his clothes; and the Medical Officer is then to satisfy himself, by a careful inspection of the entire cutaneous surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the existence of any internal complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no spinal weakness or deformity, that the limbs are of equal length, strong, and well developed, that there are no visible marks of previous fracture, depression, or disease of the bones of the head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, and the hearing perfect in both ears, that there is no defect or deformity of the bones of the nose, and that the teeth are good, strong, and sufficient in number.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained viscera, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to extend, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to flex and extend the fingers and thumbs; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the thighs, and feet to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, from chronic disease, constitutional depravity, wounds, or injuries.
2. Chronic eruptions on the skin or scalp; syphilis, primary or constitutional; gonorrhoea; extensive marks of cupping, leeching, or blistering, or of issues. Marked punishment are to be reported to the Commanding Officer.
3. Malformation of the head, with a dry, harsh, divergent state of the hair of the scalp, fracture or depression of the bones of the skull, disordered intellect or imbecility, epilepsy, paralysis, or impediment of speech.
4. Blindness or defective vision in one or both eyes, strabismus, lachrymation, and ptosis.
5. Impaired hearing, or discharge from one or both ears, or disease or thickening of the lining membrane of the external ear.
6. Disease of the bones of the nose or of its cartilages, or polypus.
7. Disease of the throat, palate, or tonsils; unaccountable offensive breath from constitutional causes, unhealthy or scrofulous disease of the glands of the throat or neck, external cicatrices, whether from scrofulous sores or surgical wounds.
8. Functional or organic disease of the heart or of the vessels, deformity or contraction of the chest, flattening of the sub-clavicular regions, phthisis, hæmoptoe, hæmaturia, dyspnoea, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissue.

10. Swelling or distension of the abdomen, undue obesity, or enlargement of the liver, spleen, or kidneys; or weakness or distension of the abdominal rings; or disease of the urethra, incontinence of urine or urinary calculus.

11. The non-descent of one or both testicles, varicocele, hæmorrhoids, and sarcocele.

No person is to be admitted into Her Majesty's Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory, he is to be reported to only on condition that he immediately submits to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Nosological Returns from Hospitals and Marine Infirmarys, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry, or, on going on foreign service.

By command of their Lordships,

HENRY G. LENOX.

GAY, PENSION, ALLOTMENTS, UNCLAIMED PAY, STOPPAGE OF PAY BY "R," MEDALS AND DECORATIONS, PRIZE MONEY.)

My Lords Commissioners of the Admiralty are pleased to direct that the following Regulations, recently made or renewed by the Acts of Parliament and Orders in Council respectively quoted, be promulgated for the information and guidance of all Officers, Naval and Civil, and others to whom the same may relate.

By Command of their Lordships,

C. PAGET.

Pay and Pension.

Any assignment, sale, or contract of or relating to any Pay, Wages, Bounty Money, Grant, or other allowance in the nature thereof, payable in respect of services in Her Majesty's Naval or Marine Forces to a person being or having been a subordinate officer, seaman, or marine is void.

Any assignment, sale, or contract relating to any Naval Pension, Allowance from the Compassionate Fund, Half-Pay, or Marine Half-Pay, is void.

A seaman or marine discharged from one ship to another shall not be rated lower in the latter ship on or in consequence of such discharge or transfer.

Allotments.

Where the Wife, being allottee, dies or deserts her children, or so misconducts herself as to be considered undeserving of support from her husband, the Admiralty may stop further payment. And if in any such case there is a Child of the seaman or Marine allotting unprovided for, the Admiralty may revoke the authority for payment to the Wife, and make out a new authority in favour of a proper person, recommended for the purpose, resident in the parish where the Child is, that such person may apply to the maintenance of the Child the money allotted.

Where a Wife being allottee becomes of unsound mind, the Admiralty may stop further payment under the allotment, revoke the authority for payment to the Wife, and make out a new authority in favour of a proper person recommended for the purpose; that such person may apply, for the benefit of the Wife and the Children (if any) of the seaman or Marine allotting, the money allotted.

Unclaimed Pay.

Pay shall be deemed forfeited if within six years from the 1st day of January next following the time when it became payable—

- (1) If it is not claimed; or
- (2) A claim made to it is not proved to the satisfaction of the Admiralty.

The Admiralty may, however, if they see good cause, in any case remit such forfeiture.

Stoppage of Pay by "R."

A person against whose name the letter "R" is placed in the Books of the Ship to which he belongs, as denoting a deserter, shall not, while the "R" so remains, be entitled to receive his Pay; but the Admiralty may, in any case if they think fit, order the "R" to be removed, and authorise payment of the Pay accrued.

Medals and Decorations.

Medals and Decorations belonging to Officers, Seamen, and Marines dying on service shall be preserved for delivery to their representatives, unless representation be taken out by a creditor as such, in which case any such Medal or Decoration shall be disposed of as if it had not been issued to the deceased.

Prize Money.

Any Assignment made by a Warrant Officer of any Prize Money shall be void unless it truly expresses the consideration money actually paid by the person in whose favour it is made to the person making it, and upon any such Assignment there shall be paid so much money only as appears to have been actually paid as consideration for the same, with interest thereon at 5 per cent. per annum.

Only Commissioned and Warrant Officers, and Assistant Engineers of the 2nd Class amongst Subordinate Officers, can make valid Assignments of Prize Money.

Any share of Prize Money of any other person can only be paid to himself, or the person named in an order drawn by him as hereinafter prescribed.

(The foregoing restriction does not, however, apply to any Prize Money remaining unpaid on the promotion of a Subordinate Officer to the rank of Commissioned Officer, or of a Seaman to the rank of Warrant Officer.)

Every Prize Order:—

Must be drawn on a printed form issued by the Accountant-General of the Navy;

And in favour of some one or other of the following persons by name:

The Drawer's Wife;

- " Father or Mother;
- " Son or Daughter;
- " Brother or Sister;

any of whom must be so described in the Order.

Unclaimed and forfeited shares of Prize Money:—

If the share of any person is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed, and shall be dealt with accordingly.

Notwithstanding that any such share has been forfeited or is unclaimed, the Admiralty may, if they see good cause, pay the same out of the Naval Prize Cash Balance.

REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond

Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification

required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

6. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future

time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

CLARENCE.

Foreign Office, May 10th, 1855.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in Our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a class added to the medal for some special consequence, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable, as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an scroll, bearing this inscription, "For Valour."

Secondly. It is ordained that the Cross shall be suspended from the left breast by a blue ribbon for the Navy, and by a red band for the Army.

Thirdly. It is ordained, that the names of those upon

whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the ribbon by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the

regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commander-in-Chief of the force employed on the service, or to the Officer commanding the force in the field, who shall send for each description and statement of the act on he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his special distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Force employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by His Majesty's Command.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall

be selected by the Officers engaged for the Decoration, and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eyes.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and such additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an special Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such exclusion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twentieth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE

THE ALBERT MEDAL.

WARRANT REVOKING A WARRANT dated the 7th March, 1866, instituting A NEW DECORATION to be styled "THE ALBERT MEDAL," and instituting in lieu thereof TWO NEW DECORATIONS, to be styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS," and "THE ALBERT MEDAL OF THE SECOND CLASS."

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS a Warrant was given under our Royal Sign Manual, bearing date the 7th day of March, 1866, in the 29th year of Our reign, intituled "a Warrant instituting a new Decoration, to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say,—

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea, and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss, and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour: Now, for the purpose of

attaining an end so desirable as that of rewarding such actions as aforesaid We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—It is ordained that the distinction shall be styled "The Albert Medal," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect, in gold, surrounded with a garter in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

Secondly.—It is ordained that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer the decoration shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received the medal, again performs an act which, if he had not received such medal, would have entitled him to it, such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended, and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this instrument,

have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited; and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be erased as aforesaid under this regulation. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstances demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

And WHEREAS It has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our Warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas, We, taking into Our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased in place of the Decoration created by Our Warrant of the 7th March, 1869, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be lawfully observed and kept.

First.—It is ordained, that one of the said two Decorations shall be styled "The Albert Medal of the First Class," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect in gold, surrounded with a garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained that the other of the two distinctions shall be styled "The Albert Medal of the Second Class," and shall consist of the like shaped enamelled badge, save

and except in this class it shall be entirely white in lieu of gold and bronze, and suspended from a dark riband of five-eighths of an inch in width, with two white longitudinal stripes.

It is ordained that each Medal shall be suspended the left breast.

Thirdly.—It is ordained, that the names of those whom We may be pleased to confer either of these distinctions shall be published in the "London Gazette," a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who shall receive either of the Medals, again performs an act if he had not received such Medal, would have entitling to it, such further act shall be recorded by a letter to the riband by which the Medal is suspended; and every such additional act an additional bar may bear.

Fifthly.—It is ordained, that the Medals shall be awarded to those who, after the date of the said Warrant of the 7th March, 1866, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such shall be made only on a recommendation to Us by the Board of Trade.

Sixthly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and daring, and that the Albert Medal of the Second Class be given in cases which, though falling within the contemplation of the Warrant, are not sufficiently glorious to deserve the Albert Medal of the First Class.

Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Medal shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited; and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be erased as aforesaid under this regulation. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstances demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

Given at Our Court at St. James's, this sixth day of April, one thousand eight hundred and sixty-six, the thirtieth year of Our said Majesty.

By Her Majesty's command.

R. H. WILKINSON.

HUMANE SOCIETY'S MEDALS.

CIRCULAR No. 11.—C.

Admiralty, 18th March, 1869.

HUMANE SOCIETY'S MEDALS.

The Royal Humane Society having made arrangements for reducing the size of their Medals, in future,—in order to admit of their being worn—and for granting Clasp and Bars for subsequent acts of bravery, in cases where a Medal

has been already granted,—my Lords Commissioners of the Admiralty are hereby pleased to notify to the Officers and Men of Her Majesty's Navy and Marines their permission to wear such Medals and Clasp and Bars awarded by the Humane Society.

By Command of their Lordships,

W. G. BOWEN.

To all Commanders-in-Chief, &c.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

1. Colonies which offer Privileges.

The only Colonies which now offer land privileges to Naval and Military Officers are British Columbia, Natal, and Western Australia.

2. Officers entitled to Privileges.

The Officers to whom such privileges are offered are (a) Naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; (b) Military Officers of all grades not lower than that of Subalterns of seven years' standing; (c) Regimental Staff Officers; and (d) Medical Officers of both Services, of not less than five years' standing.

3. Officers not entitled to Privileges.

The Officers not entitled to land privileges are: Naval and Military Chaplains; Commissariat Officers; Boatmen under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cooks; Warrant Officers of every description; Officers of any of the Branches of the Navy or Army; and, lastly, Officers who have ceased for a space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

4. Nature and Extent of Privileges.

In British Columbia a certain quantity of land is granted

in lieu of remission of purchase money. In the above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer, as shown in the following scales:—

IN BRITISH COLUMBIA.

	Acres.
Field Officers of 25 years' service, in the whole	600
Field Officers of 20 " " " "	500
Field Officers of 15 " " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 20 years' service, and upwards in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

IN NATAL AND WESTERN AUSTRALIA.

	£
Field Officers of 25 years' service and upwards, in the whole	600
Field Officers of 20 years' service and upwards, in the whole	500
Field Officers of 15 or less years' service, in the whole	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 20 years' service and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

Although these scales refer only to Military Officers, they apply also to Naval Officers, who will receive allowances corresponding with their relative rank to Officers in the Army, as prescribed in Her Majesty's Order in Council of 11th June, 1863.

5. Memorandum of Rank and Service.

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a naval man, from the Lords Commissioners of the Admiralty, and if a military man, from the Office of the General Commanding-in-Chief, specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. Location Ticket.

As the sole object of the Regulations is to encourage the *bona fide* settlement of naval and military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. Crown Grant.

At the expiration of two years from the date of such Location Ticket, the Officer will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bona fide* Settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

(N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

In Natal, that the Officer shall reside on the land for not less than six months in each of the two years since he received his Location Ticket; that he shall build a house and farm-buildings to the satisfaction of the Surveyor-General, and cultivate or stock his land in such a manner as may be certified by the Surveyor-General to show a *bona fide* intention to continue in the beneficial occupation of the land, or to have imparted to it an enhanced saleable value.

In Western Australia, that the Officer shall reside on the land for at least half the two years he is required to reside in the Colony, and has made substantial and useful improvements to the extent of 10s. an acre. Such residence and improvements to be certified by the resident magistrate of the district.)

8. Lapse of Claim of Crown Grant not applied for in time.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelvemonth from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. Land not transferable until Grant issued.

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. Provision in case of Death.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket, the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. Permanence of the Regulations cannot be guaranteed.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—not can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.
